

## SS · SCRAP SHEAR

# SS-300

Scrap shear for 18–28 t carriers. High cutting force for steel, rebar and structural scrap, with 360° hydraulic rotation.

## 18–28 CARRIER WEIGHT (T)

|                   |      |
|-------------------|------|
| Weight (kg)       | 1450 |
| Jaw opening (mm)  | 400  |
| Cutting force (t) | 480  |
| Oil flow (l/min)  | 170  |

Rotation **360° hydraulic**
